Robyn,

I'm attaching a draft version of the TSD for State Measures State Plan Development. Overall, this needs a pretty thorough read-through from us internally (I literally just finished putting together elements from Patrick, Nidhi, Sarah and myself), is probably missing a fair bit of detail, is still missing at least one section near the end, and example tables. But it's what we could produce in 8 solid hours. So let's be back in touch tomorrow, and figure out next steps.

Thanks, and hope this starts to get at the right direction, at least.

Cheers

-Jeremy
